DELPHI CORPORATION, et al., : Case No. 05-44481 (RDD)
Debtors. : (Jointly Administered)

LETTER TO CONTEST DELPHI'S MOTION FOR ORDER UNDER 11 U.S.C. §§ 105, 363(b)(1), AND 1108 CONFIRMING DEBTORS' AUTHORITY TO TERMINATE EMPLOYER-PAID POSTRETIREMENT HEALTH CARE BENEFITS AND EMPLOYER-PAID POST-RETIREMENT LIFE INSURANCE BENEFITS FOR CERTAIN (A) SALARIED EMPLOYEES AND (B) RETIREES AND THEIR SURVIVING SPOUSES ("SALARIED OPEB TERMINATION MOTION")

PRELIMINARY STATEMENT

I am a retired Delphi employee, 54 years old. I retired after 31 years. I wasn't ready to retire this early, but I was encouraged to retire to reduce Delphi's headcount. I received a severance pay and the assurance that I would have healthcare until age 65. As the court knows, Delphi Corp. filed a motion with the U.S. Bankruptcy Court to discontinue healthcare and life insurance coverage for retirees. The notice also stated my Retiree Health Reimbursement

Account (RHRA) would be eliminated. This account was established as part of the "deal" a couple of years ago when Delphi terminated health insurance coverage for retirees once they reach 65 years of age.

I am contesting this motion for the following reasons:

- 1) The obligation Delphi has to provide health care coverage for retirees is time limited. Coverage for retirees is stopped when they reach age 65. And, retirees hired after 1992 do not receive health care coverage in retirement.
- 2) People hired after December 31, 1992 knew they would not receive health care coverage in retirement when they hired in so they have had time to plan for health care in retirement. People such as myself who were hired in the 60's, 70's or 80's were told by the company that we would receive health care coverage in retirement and now have no time to plan for providing ourselves and families with health care coverage after retirement. It will cost me more than a third of my fixed income to continue this coverage.
- 3) The motion made by Delphi is for permanent elimination of health care benefits for salaried people who were promised this coverage when they retire. When the company recovers and the executives are receiving bonuses, it makes sense to me that the company would honor its commitment to provide health care coverage to the salaried employees who were promised coverage.

SUMMARY

I understand the extraordinary difficult economic times that the company, as well as the automotive industry faces. Sacrifices are being made now and more will be necessary. If health care coverage for retirees needs to be temporarily modified to help ensure the company's survival, then that is what we need to do. For example, co-pays, deductibles and/or premiums could be temporarily raised. However, I believe the permanent elimination of health care coverage for salaried retirees that were promised this coverage is not justified.

I appreciate the court taking the time to consider my argument and respectfully ask that you not approve Delphi's motion to terminate health coverage for salaried employees that are counting on that coverage.
